

**IN THE UNITED STATES PATENT AND TRADEMARK OFFICE**

Applicants: Dominique BRAS, et al.  
Application No.: 10/521,011  
Filed: July 11, 2005  
Title: Method and Device for Injecting Two-Phase CO<sub>2</sub> in a Transfer Gaseous Medium  
TC/A.U.: 1797  
Examiner: Ives J. WU  
Docket No.: Serie 5957  
Customer No.: 40582

**WRITTEN SUBSTANCE OF INTERVIEW**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Pursuant to MPEP 713.01, please make the below Substance of the Interview of record in the instant application.

On August 17, 2009, a telephone interview was held between Examiner Ives Wu and Applicants' representative Christopher J. Cronin, during which Applicants' representative agreed to an Examiner's Amendment of claims 15 and 17 that would remove the phrase "which may be used".

Respectfully submitted,

Date: **August 28, 2009**

/Christopher J. Cronin/
